

I would appreciate getting to know you better.

Name _____

Name(s) of adult(s) that you live with _____ day phone # _____

_____ day phone # _____

Do you have daily access to a computer at home? _____ Internet access? _____ MS excel? _____

Do you know how to graph using excel or some other spreadsheet/graphing program? _____

The other courses you are taking this semester _____

What is/was the math course you are taking this fall or you took last semester? And with whom? _____

What do you do after school? And can you get to extra help if needed? _____

Why did you choose this chemistry course? (If you are a freshman why did you choose to double-up on your science?)

What are you passionate about, and why?

What other interests do you have/do?

Think back on your favorite teacher and tell me what it was about their teaching that made them your favorite.

What else should I know that might help me to be a better teacher for you.
